Greetings and Kia Ora to everyone,

Welcome to **Senuka Alankarage and Savahna Hull**. **Senuka** has moved from Coastal Taranaki School and **Savahna** from Manawaru School.

Savahna and Senuka are both joining Room 4 this week.

It is wonderful to have them here and we wish their families all the best settling into their new homes and jobs.

The 13th Grade soccer team had some exciting games with Te Rerenga a few weekends ago..

The Whenuakite Team has Ana from Tairua and

Jade and Amber from MBAS, helping make up the numbers.

The team is enjoying some close games and some wins this year. Great to see the skill development and confidence on the field.

Hotare Pepeke—The Bug Hotel— is open for business. Mrs Gibson, Room 5 and the Enviro –Group have set this up to attract insects. It is creating a lot of interest and curiosity.
